## FAQs

### WHAT IS AN ATA CARNET?

An ATA Carnet is a crucial tool in today's globalised economy, like a 'passport for goods' in the global economy. It simplifies customs procedures, replacing usual paperwork and duties, making imports smooth into over 80 countries. It's valid for 12 months, allows multiple trips, and covers various goods and equipment, excluding consumables, giveaways, and explosives.

### WHO CAN USE AN ATA CARNET?

Travelling business executives, professional individuals and teams: Film crews, sports teams, surgeons, architects, artists, technicians, exhibitors, engineers, educationalists, entertainers and many more industries.
